

2018 Presenting Sponsor:

*benefiting Palmetto Health Cancer Centers*

**Over the last 27 years, more than \$4.3 million has been raised for Palmetto Health Cancer Centers through the Golf Classic. Proceeds have helped fund—**

- Gastrointestinal diagnostic equipment to perform Endoscopic Ultrasound
- Sofa beds in the inpatient oncology rooms for the comfort of family members
- Transanal Endoscopic Microsurgery (TEMS) system for minimally invasive surgery to remove rectal polyps and early stage rectal cancers
- Lymphedema assessment and early detection monitors/analyzers to launch the new Lymphedema Prevention program
- Neoprobes for sentinel node biopsies in cancer surgeries (for example, breast cancer and melanoma)
- Skin cancer screenings for the community
- Upgrade to the daVinci® Robotic Surgical Systems, which provides minimally invasive surgery used in cancer treatment (for example, prostate and gynecologic cancers)
- Ultrasound system for the Breast Center
- Recliner chairs for cancer inpatients
- Support of the Brain Tumor Research Program
